A referee looks on while Alan Cline, 64th Replacement Co. quarterback, uncorks a pass while two 726th defenders try to sack him.

The Rhein-Main intramural football season, which was originally cancelled due to increased threat-condition levels, got second life when a playoff tournament was organized.

“We wanted the players to have the opportunity to finish the season, so we organized the tournament,” said Kenny Bean of services, league organizer.

Tournament play began Oct. 1 with the FRAT defeating the fire department 25-19. The FRAT also demolished 469-A 31-0.

The 64th Replacement Co. played the 726 AMSS and came out on top 14-6.

The tournament is double-elimination, with the championship game set for Oct. 5 at 6:30 p.m.
